Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Bauer argued that his request for complete office action has not been responded properly. Examiner again expressed her position that since the ground of rejection has been changed and the rejection has been rephrased to address the issues more specifically and in a different manner, there was no requirement for examiner to include a separate Response to Argument. The request contained arguments regarding the merits of the present claims, and therefore was treated as a response to the office action, and the Final Rejection was issued. .
